

Sample Job Posting For ENGR 130

Job Posting: 104237 - Position: Junior Quality Assurance/Quality Control

Organization VertiGIS

Job Title Junior Quality Assurance /Quality Control

Job Location Victoria

The Company

At VertiGIS, we believe that geography helps people make vastly better decisions about their lives, society and the world around us. Hundreds of organizations around the world rely on Geocortex software by VertiGIS North America to design, build and maintain web-based mapping applications. We have found that smart, motivated people working together can make a difference and accomplish remarkable things. If you'd like to be a part of this, let's talk.

The Position

We are searching for a motivated and enthusiastic individual to help us ensure the ongoing quality of our web-based mapping solutions. You will work alongside our product support and development teams and provide your expertise on issues surrounding quality assurance and control. We are a strong supporter of the Uvic co-op program. Many of our co-op students stay on full time and kick start their careers with us. A number of our top employees started with us as co-op students.

Responsibilities, depending on ability and experience, may include:

Testing Geocortex software products from user and functionality viewpoints.

Report bugs, track defects, and resolve issues with the developers.

Design test plans and create test reports.

Apply quality assurance and quality control procedures and best practices.

Perform product support and other duties as required

Qualifications

Excellent **communication skills** (both written and verbal).

Excellent analytical and problem solving skills.

Post-secondary background in computer science or equivalent experience.

Knowledge of **programming, testing, debugging**.

Experience programming in .NET is ideal.

Strong organizational skills and a keen eye for detail.

Enthusiasm and a passion for technology.

What We Offer:

An opportunity to kick-start your career at a dynamic, growing company

A high-caliber team that enjoys working together on challenging and interesting work

A great downtown office location close to many restaurants and cafes

Free coffee and snacks in the office

Lunchtime yoga on Wednesdays and Fridays

Bottomless book budget

Secure bike storage and showers

Fun social events including games nights, ski trips and our Non-Denominational Winter Holiday Season Celebration (sometimes called the Christmas Party for short)
