Instructions:

MyLab Math plus Pearson eText -- 24-Month Standalone Access Card -- for Thomas' Calculus: Early Transcendentals with Integrated Review, 14/e

ISBN: 9780134786254

This is your Access code:

HSCTET-PASHM-LIMEN-HELIX-LEASH-GALES

To register, you will need:

1. A valid e-mail address
2. The access code
3. Your professor will provide a link to register from within your Learning Management System (Blackboard, Brightspace, Moodle, Canvas) OR a Course ID to register.

Check your professor's instructions in your Learning Management System (Blackboard, Brightspace, Moodle, Canvas). You will have the option to register directly through your Learning Management System OR your instructor will provide a course ID for you to use.

If you can register for MyLab / Mastering on your course website / learning management system, **please make sure to do so**. If your instructor has provided you a course ID instead, please visit the following website to register and access materials for your MyLab or Mastering course:

<http://www.pearsonmylabandmastering.com>

Follow the on-screen directions for students to register for your course.

After you have registered, you will receive an on-screen confirmation.
